You are here. This is a day that I have been waiting
for. You are so much more than I ever imagined.
More beautiful,
More lovable,
More perfect.
How did I get so lucky? I cherish every moment
with you. I just sit and hold you, and I
know that I am holding a part of heaven.
I love you baby girl.

baby gift coupon book

It's time to spoil mommy! Shower her with coupons for a pedicure, babysitting, massage, pizza, and more. The Coupon Book Kit comes with envelopes, chipboard tags, and rings. You add Adornit's papers, accents, ribbon, and your creative touch.

1. Start with envelopes from kit, tuck flaps inside.
2. Cut base papers 6.5"x 3.5" and adhere to envelopes. (Make sure envelope opening is on the outer edge.) Refer to photos for which base papers to use.
3. Layer and embellish each individual page with stickers, ribbons, metal accents, etc. as shown. Coordinated supplies from Adornit's Baby Collection make it easy and fun.
4. Punch holes and thread booklet onto metal rings. Decorate rings with a variety of ribbons.
5. Create coupons from cardstock tags included in kit. Embellish as shown and write what each coupon is good for. Punch holes in the narrow ends of the tags and add ribbons.
6. Insert coupon tags into envelopes.
